MINISTERS REPORT (See the original report for complete details)

After the stress of planning the reopening, the service went well and the live stream was successful.

The question was asked regarding why live stream was important and David explained that it helps a number of people to feel the sense of community that is part of the church experience. It is also more efficient to live stream.

Religious Education

Our youth group has been able to meet, combining with Lake Country UU. Child care will be available for younger children during services. Iris has offered to provide the youth group with a class on playing Hand Bells.

Pastoral Care

David reports that there has been a high need for pastoral care in our community.

David will be out of Waukesha from Nov. 18-19 through Nov. 28 and can be reached by email or phone for pastoral care needs.
